LAVABO / WASHBASIN

Diseño / Design: Nacho Lavernia - Alberto Cienfuegos

LAVABO
WASHBASIN

Características

Lavabo de una sola pieza para colgar o sobre encimera. Incluye sistema de fijación y una válvula de desagüe libre en cromo brillo.

Dos modelos simétricos: con la encimera a la derecha o a la izquierda.

Existen dos versiones para grifo monomando y de pared.

Materiales

Piedras naturales: mármol blanco "Carrara" apomazado, crema "Loja" apomazado o piedra "Bateig" azul.

STONEFEEL®: blanco, crema y antracita.

STONEFEEL® es una resina mineral de alta calidad desarrollada por SANICO que une a su resistencia y fácil mantenimiento un tacto suave que la hace muy especial.

Features

One-piece washbasin for wall-hanging or countertop. Fixing system and glossy chrome free drainage valve included.

Two symmetrical models: with the countertop either on the right or on the left.

Available in two versions for single lever and wall taps.

Materials

Natural stone: white "Carrara" marble satin honed, cream "Loja" marble satin honed or blue "Bateig" stone.

STONEFEEL®: white, cream and anthracite.

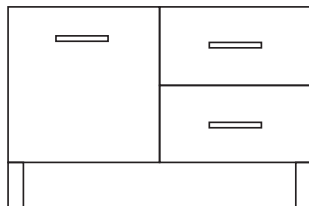

STONEFEEL® is a high quality mineral resin developed by SANICO that is resistant, easy to clean with a very special smooth tact.

SUSPENDED FURNITURE CITY FROM 80 2 DRAWERS

Características

El sistema de cajones con extracción total facilita el acceso y los hace ideales para el uso diario. Gran capacidad de almacenaje y organización.

Materiales

Chapas naturales de nogal americano o de roble con acabados: natural, wenge, ceniza o teka.
Lacados brillo en blanco, naranja y rojo, con la posibilidad de realizar colores especiales bajo pedido.

Features

The box-unit collection, with drawers that withdraw completely, give ease of access and is thus ideal for constant, daily use. It offers great storage and organisation capacity.

Materials

Natural veneers of American walnut or oak with a variety of finishes: Natural, Ash, Teak or Wenge.
Glossy lacquers in white, orange and red, with the option of special customised colours.
