

Características

Lavabo de una sola pieza para colgar o sobre encimera. Puede colocarse exento, combinado con elementos del programa o en uso múltiple.

Sus dimensiones lo hacen apto tanto en pequeños espacios domésticos como en usos profesionales. Incluye sistema de fijación y una válvula de desagüe libre en cromo brillo.

Existen dos versiones para grifo monomando y de pared.

MOBILIARIO: elementos que completan a los lavabos, enriqueciendo las posibilidades de distribución y almacenamiento.

Materiales

LAVABO: mármol blanco “Carrara” apomazado, negro “Abanilla” pulido, crema “Loja” apomazado o STONEFEEL® blanco, crema y antracita.

STONEFEEL® es una resina mineral de alta calidad desarrollada por SANICO que une a su resistencia y fácil mantenimiento un tacto suave que la hace muy especial.

MOBILIARIO: nogal americano, roble blanqueado, wengé, roble ceniza, roble acabado teka o MDF lacado alto brillo (rojo, naranja o blanco, con la posibilidad de cualquier color)

METAL: latón cromado.

Features

One-piece washbasin for wall-hanging or countertop. It can be fitted as a free-standing unit, combined with items from the programme or in multiple installations.

Thanks to its measurements, it is suitable both in small rooms and for professional use.

Fixing system and glossy chrome free drainage valve included.

Available in two versions for single lever and wall taps.

FURNITURE: Units for completing washbasins, enhancing storage and layout potential.

Materials

WASHBASIN: white “Carrara” marble satin honed, black “Abanilla” marble polished, cream “Loja” marble satin honed or STONEFEEL® white, cream and anthracite.

STONEFEEL® is a high quality mineral resin developed by SANICO that is resistant, easy to clean with a very special smooth tact.

FURNITURE: American walnut, white finished oak, wenge, ash finished oak, teak finished oak or MDF glossy red, orange or white lacqued, with the availability of any colour on request.

METAL: Glossy chrome.
